TO: Muskegon County Board of Commissioners  
RE: 1988 Muskegon County Apportionment Report

GENTLEMEN:

I am submitting for your examination and review of Muskegon County 1988 Apportionment Report of property taxes.

All of the certificates, statements, papers and records on file with the Muskegon County Clerk showing the monies to be raised in the various townships and cities of this county for the year 1988 have been examined and have been found to be properly certified. All valuation figures reflect the status on May 23, 1988 (1988 Final State Equalization) and are subject to change by Michigan Tax Tribunal and December Board of Review actions.

This year's report also indicates the mills levied as a summer collection and the remaining mills to be levied as a winter levy.

I am hereby recommending the adoption of this report as submitted.

Respectfully submitted,

Lee Stoltzfus  
Equalization Director

New Facilities are to be assessed at 50% of market value annually and the millage rate reduced to one-half of the unit's tax rate. Rehabilitation facilities are frozen at these values for a pre-determined period of time and pay full millage (these values have been replaced by new facilities that are not assessed for the term of the certificate).
