APPORTIONMENT REPORT
Muskegon County, Michigan

prepared by
BUREAU OF EQUALIZATION

LEE STOLTZFUS, DIRECTOR

Under the direction of the MUSKEGON COUNTY BOARD OF COMMISSIONERS

October 25, 1994

TO: Muskegon County Board of Commissioners
RE: 1994 Muskegon County Apportionment Report

COMMISSIONERS:

I am submitting for your examination and review the Muskegon County's 1994 Apportionment Report of property taxes.

All of the certificates, statements, papers and records are on file showing the monies to be raised in the various townships and cities, of the county, for the year 1994. They have been examined and found to be properly certified.

Proposal A of 1994 is a constitutional amendment voted in by the voters of Michigan. It changes school operating millages as follows:

School millage rates are determined by eligible homestead designation for qualified properties. All taxable properties pay the S.E.T. (State Education Tax) of 6.00 mills, non-homestead properties pay in addition 18.00 mills for school operating. An additional 3.00 mills enhancement has been voted in by several school districts.

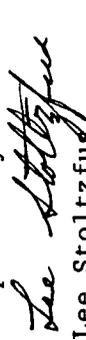

The homestead values are as reported by September 1, 1994. These homestead totals are still subject to change.

All valuation figures reflect the status on May 23, 1994 (1994 Final State Equalization) and are subject to change by Michigan Tax Tribunal, State Tax Commission and Board of Review actions.

The Apportionment Report shows a breakdown of both summer and winter millages levied.

I am hereby recommending the adoption of this report as submitted.

Respectfully submitted,

Lee Stoltzfus
Equalization Director
