*Under the direction of the MUSKEGON COUNTY BOARD OF COMMISSIONERS*

October 24, 1995

TO: Muskegon County Board of Commissioners  
RE: 1995 Muskegon County Apportionment Report

COMMISSIONERS:

I am submitting for your examination and review the Muskegon County's Apportionment Report of Property Taxes.

All of the certificates, statements, papers and records are on file showing the monies to be raised in the various townships and cities, of the county, for the year 1995. They have been examined and found to be properly certified.

Proposal A of 1994 is a constitutional amendment voted in by the voters of Michigan. It changes school operating millages as follows:

School millage rates are determined by eligible homestead designation for qualified properties. All taxable properties pay the S.E.T. (State Education Tax) of 6.00 mills, non-homestead properties pay in addition 18.00 mills for school operating. An additional 3.00 mills enhancement has been voted by several school districts.

The homestead values are as reported and still subject to change.

All taxable values are as certified and are subject to change by Michigan Tax Tribunal, State Tax Commission and Board of Review actions.

The Apportionment Report shows a breakdown of both summer and winter millages levied.

I am hereby recommending the adoption of this report as submitted.

Respectfully submitted,

Lee Stoltzfus  
Equalization Director
