Board of Commissioners
County of Muskegon
990 Terrace, County Building
Muskegon, MI 49442

Honorable Commissioners:

The Muskegon County Equalization Department has prepared this amended report as authorized by the Ways and Means Committee of the Muskegon County Board of Commissioners. This report presents an in-depth analysis of Muskegon County tax levies, collections and distributions as they relate to the County, Townships, Villages, Cities, Local school districts, Intermediate school districts, and the Community college. This report is subject to amendments as dictated by statute. All valuation amounts have been certified by the Michigan State Tax Commission and are subject to adjustment by local boards of review, the State Tax Commission, Michigan Department of Treasury, and the Michigan Tax Tribunal. The report enumerates both summer and winter collections.

The statutory responsibility of the County Board of Commissioners is contained in Sec. 37 of the General Property Tax Law, Public Act 206 of 1983 as amended, Sections 211.1 through 211.157:

Sec. 37. The county board of commissioners, at its annual session in October of each year, shall ascertain and determine the amount of money to be raised for county purposes, and shall apportion such amount, and also the amount of the state tax and indebtedness of the county to the state among the several townships in the county in proportion to the valuation of the taxable property therein, real and personal, as determined by it, or as determined by the board of the state tax commissioners upon appeal in the manner provided by law, for that year, which determination and apportionment shall be entered at large on its records. It shall also examine all certificates, statements, papers, and records submitted to it, showing the moneys to be raised in the several townships for school, highway, drain, township, and other purposes. It shall hear and duly consider all objections made to raising any such moneys by any taxpayer to be affected thereby. If it shall appear to the board that any certificate, statement, paper, or record is not properly certified, or that the same is in anyway defective, or that any proceeding to authorize the raising of any such moneys has not been had or is in anyway imperfect the board shall verify the same, and if the certificate, statement, paper, record or proceeding can then be corrected and the board shall authorize and require the defects or omissions of proceedings to be corrected, supplied, or had. It may refer any or all the certificates, statements, papers, records, and proceedings to the prosecuting attorney, whose duty it shall be to examine the same and without delay report in writing his opinion to the board. It shall direct that the several amounts of money proposed to be raised for township, school, highway, drain, and all other purposes as shall be authorized by law, be spread upon the assessment roll of the proper townships, wards, and cities. Such action and direction shall be entered in full upon the record of the proceedings of the board, and shall be final as to the levy and assessment of all such taxes, except when there is a change made in the equalization of any county by the board of state tax commissioners upon appeal in the manner provided by law. The direction for spread of taxes shall be expressed in terms of millages to be spread against the state equalized values of properties and shall not direct the raising of any specific amount of money. This section does not apply when section 36(2) applies. Last Am. 1973, Act 135, Immediate effect, Nov. 2, 1973.

Additionally, the amounts do not include revenue from special assessment rolls, or specific rolls such as tax-abated properties.

Respectfully submitted,

Clifford A. Turner, Director
Equalization Department

2004 Muskegon County Apportionment Report-Amended 11/23/04

Other Ballot Proposals, Legislative, or Administrative Changes

Casnovia Township for a “Road paving” that entailed a 4 mill levy was defeated on August 3, 2004. The referendum by Moorland Township for a “Fire Department training and compensation” that entailed a .5 mill levy was defeated on August 3, 2004. The referendum by Fremont Public Schools for a “Swimming pool and auditorium” was defeated on June 14, 2004.

The referendum by Fruitport Community Schools for “Recreation” that entailed a 1 mill levy was defeated on September 21, 2004. The referendum by Muskegon County for restoration of millage reduced by the Headlee Amendment failed on November 2, 2004. Elections for special millage for the White Lake Fire Authority for a new fire station, Dalton Township for road maintenance and fire operations, and Muskegon Township for street lighting all failed on November 2, 2004.

Additionally, effective for 2004 the Homestead Exemption has been renamed as the Principle Residence Exemption (P.R.E.). Also, effective for 2005 County levies will be collected in July. Likewise, Public Act #244 of 2002 amended the State Education Tax Act and requires cities and townships to collect the State Education Tax (i.e. SET) in a summer levy, except as otherwise provided by law. If the local collection agency routinely collects a summer levy, the levy is mandatory and there is no reimbursement. If the local collection agency does not routinely collect a summer levy, reimbursement is \$2.50 per parcel. If the local collection agency does not routinely collect a summer levy, the local unit may decline and refer the collection to the county. The county can decline and defer the collection to the State of Michigan.

Taxing authorities must hold a Truth-In-Taxation hearing if it proposes to increase its operating tax levy over the maximum amount allowed to be levied without a hearing (MCL 211.24e). Taxing authorities that levied a total operating tax of one mill or less in the immediate preceding year does not need to hold a Truth-In Taxation hearing. Public Act 42 of 1995 amended the General Property Tax Act to allow a township to combine the Truth-in-Taxation hearing with the township’s budget public hearing. At that point, it is considered a Truth-in-Taxation hearing.

Taxing authorities must publish a budget public hearing notice in a newspaper of general circulation (MCL 42.26). The public hearing notice must include the time and place of the hearing, and state the place where a copy of the budget is available for public inspection. To satisfy the requirements of publishing a Truth-in-Taxation hearing notice, the budget public hearing notice must also contain the following statement printed in 11-point boldfaced type: **“The property tax millage rate proposed to be levied to support the proposed budget will be a subject of this hearing”** (MCL141.412). If the taxing authority complies with this requirement, it does not need to publish a separate notice of public hearing on increasing property taxes. After the taxing authority conducts its public hearing, the millage rate that the budget is based upon must be included in the general appropriations act adopted by the taxing authority.

2004 Muskegon County Apportionment Report-Amended 11/23/04

In conclusion, the amended 2004 Muskegon County Apportionment Report authorizes the total levy of more than \$153 million to be collected by all local taxing jurisdictions. The following table and figure presents the trend in taxable value, total tax levies, annual percentage change of total tax levy, and the annual effective tax rate. As evident, approval of the numerous millage issues by the electorate has slightly increased the rate. This is evidenced by the fact that there was a 5% increase in the overall tax base that produces almost a 8% increase in total tax dollars.

Please note that the effective tax rate is the total property tax burden expressed as a percent of taxable value.

The rates in the following table are the average millage for principal residence property in the State of Michigan. The rates are applied to properties that have New Facility Neighborhood Enterprise Zone (i.e. NEZ) Certificates. The Michigan Department of Treasury annually determines the rates.

Correspondingly, the constitutional **Fifty Mill Limitation** states that both the fifteen and eighteen mill limitations may be increased to not to exceed fifty mills for a period not to exceed twenty years at any one time. Such millage is generally referred to as extra-voted,

Apportionment Report Certification

The director of the Muskegon County Equalization Department, State of Michigan, certifies that this amended apportionment report is a true statement of the amount of ad valorem taxes to be raised in each assessing district in Muskegon County for state, county, municipal, township, school, and other purposes, including the aggregate property valuation in each of the municipalities in this county, as taken from the assessment rolls of the municipalities for the year stated in this report. The amounts presented are the equalized values and the certified taxable values of each tax jurisdiction. The report directs that the several amounts of money proposed to be raised for township, school, highway, drain, and all other purposes as authorized by law, be spread upon the assessment roll of the proper townships, villages, and cities. The authorization for the spread of taxes is expressed in terms of millages and does not direct the raising of any specific amount of money. The director further certifies that all of the ad valorem millages have been apportioned as stated by the Board of Commissioners of the County of Muskegon for the year 2004.
