Board of Commissioners
Muskegon County, Michigan

Honorable Commissioners:

As requested by the County Board of Commissioners, the Muskegon County Equalization Department has prepared this tax abatement report which contains the valuations of tax-abated property for each unit of government in a tabular format. It is the result of a collaborative effort involving all 23 assessing jurisdictions in Muskegon County. The amounts reported by these jurisdictions have been examined and internally audited. The report focuses on the value of all real and personal property subject to Industrial Facility Tax (i.e. Act #198). Obsolete Property as well as Enterprise Certificates and Land Banks, which are also exempt from ad valorem taxation, are presented separately. New abatements beginning with the 2011 report include the New Personal Property Exemption and the Commercial Rehabilitation Act.

For 2012, the Industrial Facility Tax accounts decreased from \$97,070,300 to \$72,533,600 in State Equalized Value (SEV). This indicates an approximate twenty-five percent decrease. A significant reason for the decline is due to the expiration of numerous certificates in the City of Norton Shores. The number of active accounts has decreased slightly to 218 accounts from 219 accounts in 2011.

The value of all expired abatements is transferred to the general ad valorem property tax roll. The abated properties now represent 1.5 percent of the State Equalized Value (SEV) of general ad valorem properties. Last year they represented 1.9 percent.

Beginning in 2006, there were revisions to Public Act 451 of 1994, the Natural Resources Environmental Protection Act, as amended by Public Act 513 of 2004, changing the procedures used in the assessment, equalization, and taxation of real property owned by the State and controlled by the Department of Natural Resources. This Act basically removed the Department of Natural Resources properties (DNR) from the ad valorem roll and placed them on a specific roll (Act 513 Roll).

Beginning in 2009, DNR properties now have the Consumer Price Index factor applied to them. Previously, the 2004 taxable valuation (TV) was the basis for the TV of the property from 2004 until 2009 providing no acquisitions or dispositions had occurred.

All values are subject to review and revision by the Michigan State Tax Commission until October 1st of this year. There have been no significant changes in the process for 2012. The taxable value limitation also applies to tax abated properties.

I commend our local assessors' professionalism. This year very few problems were detected during the preparation of this report.

Respectfully submitted,

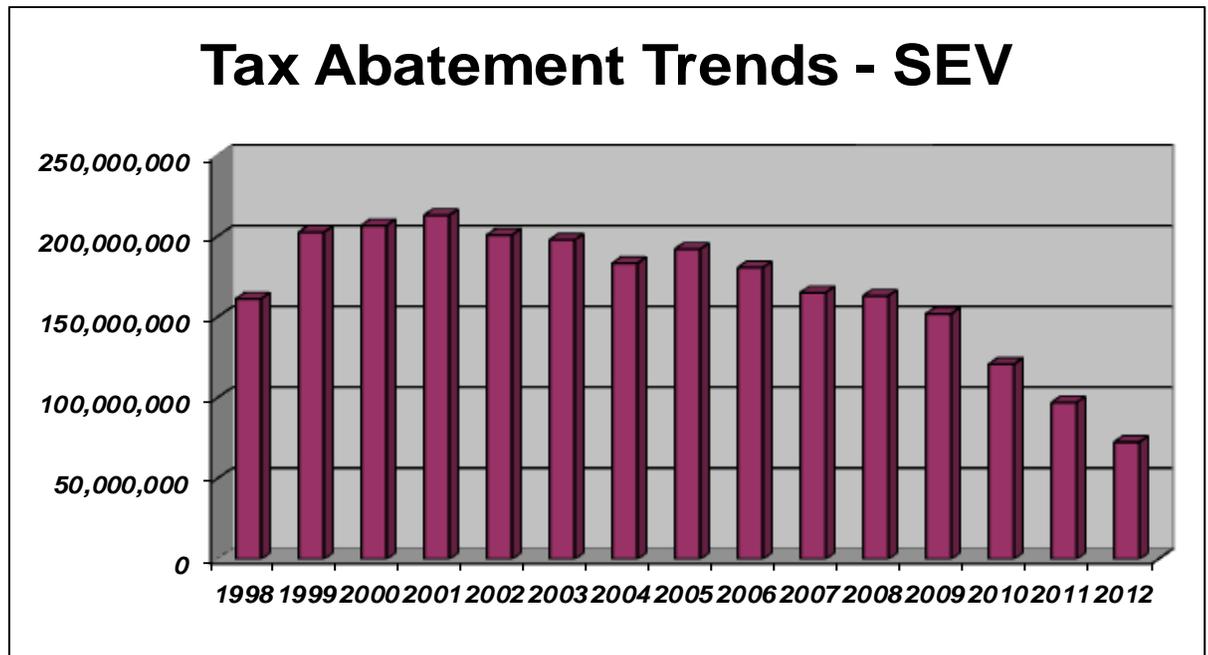

Donna B. VanderVries
Equalization Director
