* Proposal A of 1994 changed the calculation of taxes based on State Equalized Value to Taxable Value (Capped Value = the rate of inflation or 5% whichever is less)

** Includes DNR-PILT properties; excludes Tool & Die Zone values and Senior Disabled Housing *(2010)

*** Excludes DNR-PILT properties, Tool and Die and Senior/Disabled Housing values

Note: Tax year 2006 and forward do not include Special Act levies
